

Coast Guard, DHS

§ 100.15

Rowes Wharf, is the only permitted area for anchoring. All other anchoring within this special local regulation area, including in Anchorage Area #1, is prohibited.

(ii) This special local regulation area is designed to restrict vessel traffic, including all non-motorized vessels, except as may be permitted by the COTP Boston or the designated on-scene representative.

(iii) Within this area all vessels will transit at the minimum speed necessary to maintain headway without creating a wake.

(iv) Due to the waterway area restriction and the expected increase in recreational vessels in the area, vessel operators of all vessels 65 feet in length or greater desiring to enter or operate within the special local regulation area shall contact the COTP or the designated on-scene representative at least five hours prior to the desired transit time to obtain permission to do so. Permission to enter the special local regulation area will be considered on a case by case basis at the discretion of the COTP and vessels may be escorted through the area if the COTP deems it necessary for safe transit. Failure to provide notification of entry at least five hours prior to transit may result in a denial of entry into the regulated area during the enforcement period. Vessel operators given permission to enter the area must comply with all directions given to them by the COTP or the designated on-scene representative.

(2) The following restrictions apply to the area identified as the race area in section (a)(2) of this regulation. This area is closed to all vessel traffic, with the exception of vessels involved directly with the event such as: sailboat race participants, event safety vessels, on-scene patrol and law enforcement vessels.

(c) *Effective Period.* This regulation is effective from 1 p.m. on June 30, 2011, to 6 p.m. on July 4, 2011. This regulation will also be enforced daily from 1 p.m. until 6 p.m., June 30, 2011 through July 4, 2011.

EFFECTIVE DATE NOTE: By USCG-2011-0103, 76 FR 36313, June 22, 2011, §100.T01-0103 was added, effective from 1 p.m. on June 30, 2011, to 6 p.m. on July 4, 2011.
